

PRIME & PROMPT

CAPABILITY STATEMENT

2026

Trusted African Consulting Partner
Monitoring, Evaluation, Research & Advisory
www.primeandprompt.com

Prime & Prompt Consulting is an independent consulting firm headquartered in Cameroon, operating across Africa and internationally. We provide specialized services to non-profit organizations, international donors, governments, and private-sector actors.

We support our clients to design effective programmes, generate credible evidence, and improve results, especially in complex and fragile contexts.

OUR VISION

To be a trusted African consulting partner delivering credible evidence, sound advisory, and sustainable public-interest solutions.

OUR MISSION

To help organizations make informed decisions and build sustainable solutions through consulting grounded in rigor, ethics, and contextual understanding.

WHAT WE DO

Our approach is evidence-based, learning-oriented, and results-driven. All services align with Results-Based Management (RBM) and OECD-DAC principles.

1 Monitoring, Evaluation & Learning (MEL)

- Design of M&E systems and frameworks.
- Baseline, midline, and endline studies.
- Impact evaluations and adaptive management.

2 Data & Research

- Quantitative and qualitative surveys.
- Third-Party Monitoring (TPM) in hard-to-reach areas.
- Digital data collection (ODK, Kobo).

3 Institutional & Strategic Advisory

- Programme design and structuring.
- Feasibility studies and institutional diagnostics.
- Strategic advisory and public-policy support.

4 Capacity Strengthening

- Institutional capacity assessments.
- Training, coaching, and mentoring.
- Systems strengthening for sustainability.

5 PPP Advisory

- Project preparation and transaction advisory.
- Value-for-Money analysis.
- Performance monitoring frameworks.

EXPERTISE

Technical Areas

We bring specialized technical expertise to every assignment, ensuring deep contextual understanding.
